2. Event Location:

Volusia Speedway Park
1500 East State Rd 40
De Leon Springs, FL 32130

3. Health & Safety Information:

WHAT PROTOCOLS AND PROCEDURES WILL BE IN PLACE TO ENSURE FANS' SAFETY?

We are working with Volusia County health and government officials to ensure the venue will be ready to provide a safe experience for all American Flat Track fans in attendance. Amended safety protocols and procedures will be in effect that include, but are not limited to:

- Enforcing a limited venue capacity of 50% Strict adherence to the CDC-recommended 6' social distancing will be mandated onsite
- A maximum of 10 seats grouped together will be allowed
- All guests (age 3 and up) will be strongly encouraged to bring and wear face coverings. Masks will be provided at the screening location.
- A sequenced ingress/egress procedure into the facility property/gates will be used to minimize large concentrations of personnel or guests
- Each guest will be screened prior to entering the event gates; initial screening will include a non-contact temperature check
- Entry and exit to the grandstands, along with routes to concession stands and restrooms will adhere to social distancing guidelines
- Multiple handwashing and hand sanitizing stations will be placed throughout the venue and entrances
- A cleaning staff, clearly identified for guests, will be cleaning or disinfecting at all times
- Once inside the venue, fans will not be allowed to exit the property and return (no re-entry)
- All transactions will be cashless. Accepted forms of payment: Debit, Visa, Mastercard, American Express, and Discover.

For additional health and safety information, please view our "[AFT EVENTS HEALTH & SAFETY FAQ](#)" page available online.

8. What are the safety protocols and criteria for campers?

Camping spots will be spaced out to allow for social distancing. A maximum of 6 guests are allowed per spot for a total of two (2) nights (Friday & Saturday). When in their own designated spot with their own party, masks will not be required for camping guests. However, if outside of their designated spot, guests are strongly encouraged to wear a mask and maintain a 6' minimum distance from other guests.

All camping guests will go through identical screening as single-day ticketholders upon entry to Volusia Speedway Park property. No other camping on property is allowed. If anyone in a group does not pass the screening/non-contact temperature check, the entire party will not be permitted to stay on Volusia Speedway Park property.

Signage will be visible throughout the campgrounds regarding social distancing and other protocols guests must abide by.

While on Volusia Speedway Park property, campers are required to stay in their camping area. If campers must exit Volusia Speedway Park property in their tow vehicle for any reason, they will go through additional screenings upon exit and re-entry before being allowed back to their designated camping spots.

9. What happens if a fan falls ill during the event?

There will be dedicated medical assets resourced to provide treatment of any fan(s) developing symptoms during the event. In addition, a robust disinfecting / decontamination capability has been established for immediate on-site response. Finally, local public health officials will be notified of the potential infection.

10. Are overnight parking or tailgating allowed in other areas of Volusia Speedway Park?

Outside of the designated camping areas, there is no other overnight parking or tailgating permitted at Volusia Speedway Park for this event.

11. Are pets allowed into the Volusia Speedway?

Only licensed service animals wearing a vest and with owner carrying license are permitted inside the Volusia Speedway.

12. Is the Volusia Speedway handicap/wheelchair accessible?

Yes, the large General Admission area along the frontstretch is ADA accessible. The T1 GA area and other frontstretch GA areas are accessible at ground level.

13. Do you have a Military/First Responders discount? Would the discount be available the date of the race?

Yes, discount codes are available using www.Govx.com for online ticket purchases. Discounts will also be available at the gate with proper Military/First Responder identification. Military/First Responder tickets are available in the regular General Admission areas.

14. Which tickets include Food & Beverage service and at what times?

Due to COVID-19 safety restrictions and current local government guidelines, there will be no tickets sold inclusive of food or beverage.

15. Will the Public be allowed access to the Paddock/Pit areas for this event?

Unfortunately, no. As we worked hard to design protocols that made it safe for us to come back to racing, the difficult decision was made to restrict all outside access to our pit/paddock area for the safety of competitors, teams and fans. This rule will be strictly enforced. Only essential paddock personnel pre-approved by AFT will be allowed admittance to this area.
