- Enforcing a limited venue capacity of 50%.
- Strict adherence to the CDC-recommended 6' social distancing will be mandated onsite.

- Per local authorities, all guests (age 3 and up) will be required to bring and wear face coverings. Masks will be provided at the screening location.
- A sequenced ingress/egress procedure into the facility property/gates will be used to minimize large concentrations of personnel or guests.
- Each guest will be screened prior to entering the event gates; initial screening will include a non-contact temperature check.
- Entry and exit to the grandstands, along with routes to concession stands and restrooms will adhere to social distancing guidelines.
- Multiple handwashing and hand sanitizing stations will be placed throughout the venue and entrances.
