WHAT PROTOCOLS AND PROCEDURES WILL BE IN PLACE TO ENSURE FANS' SAFETY?

We are working with local and state health and government officials to ensure the venue will be ready to provide a safe experience for all American Flat Track fans in attendance. Amended safety protocols and procedures will be in effect that include, but are not limited to:

- Enforcing a limited venue capacity
- Adherence to the CDC-recommended 6' social distancing will be mandated onsite.
- Entry and exit to the grandstands, along with routes to concession stands and restrooms will adhere to social distancing guidelines.
- Multiple handwashing and hand sanitizing stations will be placed throughout the venue and entrances.
- A cleaning staff, clearly identified for guests, will be cleaning or disinfecting at all times.
- Cashless transactions preferred. Accepted forms of payment: Debit, Visa, Mastercard, American Express, and Discover.

For additional health and safety information, please view our "[AFT EVENTS HEALTH & SAFETY FAQ](#)" page available online.

17. Will the Public be allowed access to the Paddock/Pit areas for this event?

Unfortunately, no. As we worked hard to design protocols that made it safe for us to come back to racing, the difficult decision was made to restrict all outside access to our pit/paddock area for the safety of competitors, teams and fans. This rule will be strictly enforced. Only essential paddock personnel pre-approved by AFT will be allowed admittance to this area.
