

## **AFT 2026 SuperTwins Technical Allowances and Limitations**

***Updated: 11/20/25***

A model may be issued mandatory Technical Changes at the discretion of AMA Pro Racing. In either case, the machine must continue to compete as such until the rules are changed, in writing, by AMA Pro Racing.

### **Technical Allowances:**

#### Royal Enfield 650 & 750 – Twin

- Royal Enfield 650 & 750 Twin, Cylinder and Throttle body induction kit.

### **Technical Limitations:**

#### Prohibited Hardware

- Wheel speed sensors are prohibited.
- Suspension stroke sensors are prohibited
